

WHO IS A VENDOR?

A vendor is the person selling the product or services. You may register as a:

1. Customer - someone who wants to buy products or services
2. Vendor - someone who wants to sell something e.g. products, services, licenses
3. Both customer and vendor.

DOES THE VENDOR NEED TO BE A SCIENTIST?

Vendors sell scientific products or services and will usually be a scientists. The term "scientist" is used in the broadest sense and encompasses engineers, medical doctors, mathematicians, statisticians, IT specialists, science communicators, social scientists, and - of course - people who identify themselves as scientists. Science communicators and illustrators may also be vendors. Students are welcome to register as vendors.

HOW DO I REGISTER?

Step 1. Go to Registration Page

Step 2. Select "Create an Account"

Step 3. Complete the Vendor Information Fields

Step 4. Complete the Login Information Fields

Step 5. Complete the Additional Information Fields

Step 6. Save

Step 7. Confirm Email

STEP 1. GO TO REGISTRATION PAGE

Go to the website www.scientists.co and select "Vendor" from the Dropdown Accounts menu OR go directly to www.scientists.co/vendors

The screenshot shows the website interface for 'a few good Scientists'. At the top right, there is an 'ALPHA VERSION' label, an 'ACCOUNT' dropdown menu, and a 'CART' icon. The 'ACCOUNT' dropdown menu is open, showing options: My Account, Vendor, My Wishlist, My Cart, Checkout, Register, and Log In. Below the navigation bar, there is a large banner image featuring a man in a white shirt standing in front of a chalkboard with mathematical equations. The banner text reads 'OPEN ACCESS TO SCIENCE FOR EVERYONE' and includes a quote from Richard Feynman: "Explore the world. Nearly everything is really interesting if you go into it deeply enough." The name 'Richard Feynman, physicist.' is also visible in the bottom right corner of the banner.

STEP 2. SELECT CREATE AN ACCOUNT

STEP 3. COMPLETE THE VENDOR INFORMATION

The table below lists the Vendor Information and a description of what information is required.

VENDOR FIELD	DESCRIPTION
FIRST NAME	First name or given name. This information is not shown to the public.
LAST NAME	Last name, surname or family name. This information is not shown to the public.
DISPLAY NAME	The display name is the name you chose to show to the public. You may use your real name or an alias. If you are a published research scientist, using your real name will allow you to justify charging higher rates. If you prefer to keep your privacy, then an alias might be a better choice.
LOGO	Photo or image which you choose to represent your "store". This may be a picture of yourself or of anything else.
COMPANY	Your company or organisation. For instance, if you are a scientist at MIT, insert MIT. If you are self employed, insert "none". Note, that by putting this information it does not mean you are part of that organisation.
TELEPHONE	Telephone (handphone or landline) including the area code and country code. No spaces or symbols.
ADDRESS	Your address of residence or work, including the suburb.
CITY	Your city of residence or work. For the purpose of being identified by potential customers who are looking for local vendors, it is best that you list the largest major city rather than a suburb.
STATE/IPROVINCE	Your state or province of residence or work.
ZIP/POSTAL CODE	Your zip or postal code of residence or work.

COUNTRY

Your country of residence or work.
